

# Journal of Clinical Neuroscience

The Journal was founded by the Neurosurgical Society of Australasia, and is the

OFFICIAL JOURNAL of the

NEUROSURGICAL SOCIETY OF AUSTRALASIA  
AUSTRALIAN ASSOCIATION OF NEUROLOGISTS  
AUSTRALIAN AND NEW ZEALAND SOCIETY FOR NEUROPATHOLOGY  
TAIWAN NEUROSURGICAL SOCIETY  
ASIAN-AUSTRALASIAN SOCIETY OF NEUROLOGICAL SURGEONS

---

## AIMS AND SCOPE

The aims of the *Journal of Clinical Neuroscience* are to publish work relating primarily to clinical neurosurgery and neurology, and the related neurosciences such as neuro-pathology, neuro-radiology, neuro-ophthalmology and neuro-physiology.

The journal has a broad international perspective, and emphasises the advances occurring in Asia, the Pacific Rim region, Europe and North America. The journal acts as a focus for publication of major clinical and laboratory research, as well as publishing solicited manuscripts on specific subjects from experts, case reports and other information of interest to clinicians working in the clinical neurosciences. *Journal of Clinical Neuroscience* is abstracted and indexed in *Current Contents/Clinical Medicine*, *Medline*, *Neuroscience Citation Index*, *Research Alert*, *Chemical Abstracts*, *SciSearch* and *The Institute of Scientific Information of Russia*.
